### Highlights

Our staff worked hard on establishing our benchmarks and assessments for our focus areas: K-3 reading, 4-8 math, 7-12 writing, K-12 enrichment, and professional development. There are strong indicators that our remediation efforts in the K-6 grades (extended day kindergarten, after school program, and summer school) have been very effective. The addition of Bonnie Thompson as the elementary principal has been a great success. We were able to pass our bond election in November of 2004 and construction of the new biomass heating/cooling/ventilation system has begun with completion due in the fall of 2005. This will renovate all of our buildings and enhance the learning environment.

### Progress Towards Meeting Goals

#### 2004-05 Goals

#### Progress

Remediation efforts: Extended day kindergarten, after school academic program, summer school continue to target students who score below proficiency on ISAT and IRI assessments

Reduction of 75% of students needing remediation after two years of these programs in the elementary school.

Free Summer Food Program

60% increase in number of students fed from summer 2003 to 2004.

Youth Advisory Council (YAC) created to give students choice of positive activities during the winter months.

Many positive/fun activities created for students, such as bowling, open gym, snowmobiling, trips to Boise to see plays, etc.

Passed bond to renovate districts buildings: lighting, controls, biomass heat, ventilation, air conditioning

Bond passed by 74% in November of 2004. 0% interest on the QZAB bond. Performance contract guaranteeing utility savings of 50%.

KEYS School Improvement Committee very productive in developing School Improvement Plan and implementation.

KEYS focus groups worked on areas such as K-3 reading; 4-8 math; 7-12 writing; enrichment; professional development. Benchmarks based on essential standards developed as well as assessments.

Improve Professional/Technical program

Grant from the Forest service awarded to build two state of the art greenhouses to improve our academic program in science, Ag-Forestry classes, and FFA program.

## Adequate Yearly Progress and Assessment 2004-05

Did Council District make Adequate yearly progress for 2004-05? Yes

Percent of the 41 targets that Council District made: 100%

The goal in our nation is for all students in grades 3 through 8 and 10 to be proficient in reading and math by the spring of 2014. Idaho uses the Idaho Standards Achievement Test (ISAT) and the Idaho Alternate Assessment (IAA) to measure proficiency. This report shows the percentage of students who met state goals for proficiency in reading and math.
